

United Self Storage

ACCESS PROCEDURE:

To gain access to the facility, please use your assigned door(s). The color of your unit matches the color of the exterior door you may use.

Type in your 4 or 5 digit code followed by the # button. This will unlock the door you are standing at AND disarm your rental unit.

PLEASE NOTE: EVEN IF THE EXTERIOR DOOR IS ALREADY OPEN OR HELD OPEN BY ANOTHER TENANT YOU MUST ENTER YOUR CODE OTHERWISE YOU WILL SET OFF THE ALARM WHEN YOU OPEN YOUR UNIT!

EXIT PROCEDURE:

Please close and lock your rental unit. Make sure the hasp slides all the way into the door jamb. The security system recognizes when your hasp is in place and will re-arm your unit.

YOU MAY LEAVE THE FACILITY – NO ADDITIONAL USE OF THE KEYPADS IS NECESSARY.

Should you need to re-enter, please follow the access procedure above.
